

## President's message

Dear CHINALUX members and friends,

I wish to take this opportunity to thank you for your on-going support, and to extend my thanks to those who joined our 5th anniversary celebrations on the 31st of May, 2018.

Since embarking on this journey with twenty founder members five years ago, our membership has grown more than seven-fold. From finance, manufacturing, aviation and real estate, to fashion, tourism, new technology and education services, the activity areas of CHINALUX members has, and continues, to be increasingly diversified.

As we reach this milestone, we continue to look to the future, and are excited to share with you in our mission of promoting and further strengthening bilateral trade and business activities between China and Luxembourg. If at any time there are topics or points you wish CHINALUX to address, do not hesitate to contact us (info@china-lux.lu), we would be delighted to hear from you.

Wishing you all a wonderful summer vacation, and hope to see you at our upcoming events in second half of 2018, the details of which will be announced in the coming weeks.

Kind regards,

Dirk Dewitte
