

Start-up, Scale-up, but don't screw up

13 November 2024 - Coque Luxembourg

DESCRIPTION

Being a director in a rocketing startup or scaleup is an amazing ride! It's exciting and fast-paced, but it also takes a special kind of director to find the sweet spot between the board's role and the CEO's job.

This conference designed by the ILA Start-up and Scale-up Working Committee aims to equip NEDs and governance professionals with the tools and knowledge they need to navigate the exciting and challenging world of hyper-growth.
