## **NOTES TO THE ANNUAL ACCOUNTS FOR THE FINANCIAL YEAR ENDED DECEMBER 31, 2023**

### **1. General Information**

Chambre de Commerce Chine-Luxembourg, A.s.b.l. ("the Chamber") was founded on May 31, 2013 with the Chinese Ambassador to Luxembourg, HE Mr. Hua Ning as Honorary President. It is organized under the laws of Luxembourg as an Association sans but lucratif.

The registered office of the Chamber is established in Luxembourg, 7, rue Alcide de Gasperi, L-2981.

The financial year of the Chamber starts on January 1 and ends on December 31.

The Chamber is a private organization, initiated by twenty Founding Members active in China-Luxembourg-related business. It maintains close ties with the Luxembourg government and the local Chamber of Commerce, and with various other organizations represented on the Chamber's Advisory Board.

The Chamber plays a supporting role in business and for cultural ties between China and Luxembourg but remains a non-for-profit organization.

The overall goal of the Chamber is to create and maintain a platform that promotes bilateral trade between Luxembourg and China. Specific goals include: (i) To organize, activate, motivate, promote and support China-Luxembourg-related trade initiatives and events such as meetings, workshops and conferences, in order to capture long-term opportunities with a regular focus on areas of mutual interest to accelerate these opportunities; (ii) To build a knowledge base for our members containing useful information in respect of economic missions, contact persons with access to China, service propositions, brochures; (iii) To provide members with assistance in contacting official bodies in Luxembourg, China and other countries, as well as international or national organizations in respect of Chinese inbound and outbound activities.

### **2. Summary of significant accounting policies**

#### **2.1 Basis of preparation**

The annual accounts have been prepared in accordance with the generally accepted accounting principles and applicable requirements in Luxembourg under the historical cost convention, as well as to comply with the 21 April 1928 law concerning the accounting and annual accounts of non-profit organizations (Association sans but lucratif).

#### **2.2 Going concern**

The Advisory Board assessed the Chamber's annual accounts. The Advisory Board considers that the Chamber has sufficient resources to continue to operate normally for the foreseeable future.

The Advisory Board therefore continues to prepare the annual accounts on a going concern basis.

**NOTES TO THE ANNUAL ACCOUNTS FOR THE FINANCIAL YEAR ENDED DECEMBER 31, 2023**

**2. Summary of significant accounting policies (continued)**

**2.3 Foreign currency translation**

The Chamber maintains its accounts in EURO ("EUR"). Transactions expressed in currencies other than EUR (or other currency) are translated into EUR at the exchange rate effective at the time of the transaction.

In case of durable depreciation in value according to the opinion of the Board of Managers, value adjustments are made in respect of fixed assets, so that they are valued at the lower figure to be attributed to them at the balance sheet date.

Cash at bank is translated at the exchange rate effective at the balance sheet date. Exchange losses and gains are recorded in the profit and loss account of the financial year.

Other assets and liabilities are translated separately respectively at the lower or at the higher of the value converted at the historical exchange rate or the value determined on the basis of the exchange rates effective at the balance sheet date. The unrealized exchange losses are recorded in the profit and loss account. Realized exchange gains are recorded in the profit and loss account at the moment the transaction is realized. Consequently, only realized exchange gains and losses and unrealized losses reflected in the profit and loss accounts.

Where there is an economic link between an asset and a liability, these are valued in total according to the method described above and only the net unrealized losses are recorded in the profit and loss account.

**2.4 Fixed assets**

Fixed assets are stated at historical cost less accumulated depreciation. Depreciation is calculated on a straight-line basis over a 3 year useful life. This depreciation is recognized as a charge in the profit and loss account under the heading "Value adjustments on fixed assets".

**2.5 Debtors**

Debtors are valued at their nominal value. They are subject to value adjustments where their recovery is doubtful. These value adjustments are not continued if the reasons for which the value adjustments were made have ceased to apply.

**2.6 Creditors**

Creditors are recorded at their reimbursement value.

**2.7 Revenue recognition**

Revenue from membership fees is recognized on an accruals basis in the year to which the membership fee arises.
